

# KAPPA KORNER

September, 2017

Dear Kappa Sisters,

HAPPY NEW SCHOOL YEAR!! To me there is always something special and exciting about the beginning of each school year, even since I've been retired. I love to take my school-age granddaughters shopping for new clothes and supplies almost as much as I love library book sales. Maybe that is why I keep volunteering in the classroom – think about how many total years the women of Kappa have spent in classrooms, WOW!!

**On September 30<sup>th</sup>, Kappa will begin our 2017 – 2018 year of DKG events with an enticing meeting at Dee's home.** Please bring prospective members! If you need paperwork to nominate someone for membership, let Candice or me know and we will make sure you receive what is necessary. We hope to hold initiations at least once this year!

Attached to my email is a schedule of our meetings for the coming year. It will be printed in your Yearbook, but I wanted you to have it now so that you can mark your calendars. As you can see, meeting dates have been determined, but since we were unable to meet as committees during our May meeting, more complete planning will be done by our committees meeting separately. You will be kept informed.

Our new Alpha Sigma State President, Sherri Wagemann, is excited about her upcoming two years in office. H.E.A.R.T. – Health, Education, Achievement, Reflection & Recognition, Technology & Teamwork are her goals to strengthen the H.E.A.R.T. of DKG, and “embrace [all the] opportunities” available within DKG. One such opportunity will be the Purpose-Filled Purse Project. More will be available on this after Fall Board.

Speaking of Fall Board (September 22 – 23), you are still encouraged to attend!! We will be carpooling and sharing rooms. Clock hours are available. The registration form and sessions for Friday evening and Saturday are available at [www.dkgwa.org](http://www.dkgwa.org) It is a fun time of fellowship and learning for all of us!

This looks to be another special year of sharing within Kappa and Delta Kappa Gamma. I hope to see you September 30<sup>th</sup> at Dee's home for our 'kick-off'!

Kappa hugs,

Barbara
